SUMMARY

Engineering graduate with more than 3 years of experience as a Unity 3D developer, specializing in C#, and data structures. Skilled in Unity ECS, game mechanics design, performance optimization, and API integration. Passionate about crafting interactive and dynamic gameplay experiences through technical precision and creative innovation.

EDUCATION

IGNOU (New Delhi)

PGDCA

January 2025 - December 2025

Panjab University SSGRC

B.E. (ECE)

August 2019 - August 2023

Progressive Central School

12th PCM

March 2017 - March 2019

SKILLS

- Unity and C# development
- Animation system
- User interface
- API integration and socket programming
- Mapbox integration
- Highrise Studio expertise
- Lua and C++ programming
- Data structures and algorithms
- Unity physics simulation
- Shader graph
- Entity Component System
- Version control
- Cesium and Mapbox

LANGUAGES

- Hindi
- English

PROFESSIONAL EXPERIENCE

Associate Software Developer

Chicmic Studios | November 2024 - Present

- Contributed to games like The Great Library, ICEY and Bent On Destruction
- Created Unity Asset Store packages named EZAPI, ECS Destruction Toolkit and Smart Prefs.
- Developed a baseball controller within Terra's environment

Associate Software Developer

Chicmic Technologies LLP | Aug 2023 - November 2024

- Contributed to games like Hood Racing, Robbie Steal and Survivor IO Multiplayer
- Built games in Highrise Studio using Lua
- Integrated APIs and sockets to improve functionality
- Designed game mechanics in collaboration with artists

Intern

Chicmic Technologies LLP | Jan 2023 - Aug 2023

- Assisted in Unity game development and debugging

PORTFOLIO

- Hood Racing [Video Link](#)
- Color Dash (Highrise) [App Link](#)
- Adopt Me (Highrise) [App Link](#)
- Robbie Steal [App Link](#)
- The Great Library [Video Link](#)
- EZAPI (Unity Asset Store) [Asset Store Link](#)
- ESC Destruction Toolkit [Asset Store Link](#)
- Smart Prefs [Asset Store Link](#)
- Baseball Controller (Terra)
- ChicMic In-House Games [Play Store Link](#)
- Bent On Destruction [Steam Link](#)
- Cuddle Cubbies [Video Link](#)
- CMS Video Recorder Suite [Asset Store Link](#)
- Camera Screenshot Toolkit [Asset Store Link](#)
